Policy Name: Board Charter

Release Date	17 October 2024
Review Date	December 2026
Version Reference	Version 1 (Released August 2022) Version 1.1 (Reviewed December 2024)

1 Purpose

- 1.1. The Board of Directors (**Board**) of GrainCorp Limited (**the Company**) has adopted this Board Charter (**Charter**) to outline the manner in which its constitutional powers and responsibilities will be exercised and discharged, having regard to principles of good corporate governance and applicable laws.
- 1.2. This includes an overview of:
 - 1.2.1. Board composition and process; and
 - 1.2.2. the relationship and interaction between the Board, Board committees and management.
- 1.3. This Charter and the charters adopted by the Board for its standing committees, have been prepared and adopted on the basis that strong corporate governance can add to the performance of the Company, enhance its standing in the community, create shareholder value and engender the confidence of the investment market.
- 1.4. This Charter is to be reviewed by the Board every two years (or earlier if required).

2 Scope

- 2.1. Board Composition and Size
 - 2.1.1. The Board, together with the People, Remuneration and Nominations Committee, determines the size and composition of the Board, subject to the terms of the Company's constitution.
 - 2.1.2. It is intended that the Board should comprise a majority of independent Non-executive Directors and comprise Directors with a broad range of skills, expertise and experience from a diverse range of backgrounds.
 - 2.1.3. The Board, together with the People, Remuneration and Nominations Committee, will review the skills, experience, expertise and diversity represented by Directors on the Board and determine whether the composition and mix remain appropriate for the Company's strategy and covers the skills needed to address existing and emerging business and governance issues relevant to the Company. The Board and the People, Remuneration and Nominations Committee will have regard to this review when considering Board succession planning and ongoing director education program.
- 2.2. Director Independence
 - 2.2.1. The Board only considers a Director to be independent where he or she is free of any interest, position, or relationship that might influence, or might reasonably be perceived to influence, in a material respect his or her capacity to bring independent judgment to bear on issues before the Board and to act in the best interests of the

Company as a whole rather than in the interests of an individual shareholder or other party. In general, the Board applies a definition of independence as set out in Box 2.3 of the ASX Corporate Governance Council's Principles and Recommendations (4th edition) (see Attachment 1). However, the Board may determine that a Director is independent, notwithstanding the fact that they have an interest, position or relationship specified in Box 2.3, if the Board determines that such interest, position of relationship does not interfere with the Director's capacity to bring independent judgment to bear on issues before the Board and to act in the best interests of the Company as a whole.

- 2.2.2. The Board does not believe that it should establish an arbitrary limit on tenure. Tenure limits can help to ensure that there are fresh ideas and viewpoints available to the Board. However, tenure limits hold the disadvantage of losing the contribution of Directors who have been able to develop, over a period of time. Accordingly, tenure is just one of the many factors that the Board takes into account when assessing the independence and ongoing contribution of a Director in the context of the overall Board process.
- 2.2.3. The Board regularly reviews the independence of each Non-executive Director in light of information relevant to this assessment as disclosed by each Non-executive Director to the Board.

 - 1.2.1. is, or has been, employed in an executive capacity by the Company or a subsidiary and there has not been a period of at least three years between ceasing such employment and serving on the Board;
 - 1.2.2. receives performance-based remuneration (including options or performance rights) from, or participates in an employee incentive scheme of, the Company;
